Subject: Thank you soooo much for protecting NC's water

Dear Gov. Roy A. Cooper III,

I'm writing to thank you for requesting additional information as you evaluate a decision on the water certification for Duke's proposed Atlantic Coast Pipeline. This project is too much of a risk to our state and jeopardizes already vulnerable communities.

We need leaders like you to continue to protect our waterways, and ensure projects like this don't put extra burden on the Native Americans, low-income residents, and communities of color that would have had the pipeline forced onto their homes and neighborhoods. Thank you!

Sincerely,

Ms. Lisa Munks
